Dear Andrew and Lianne May,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Becky Latimer

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Blue Granite.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Blue Granite has mismanaged their duties and responsibility as a utility company, evident by the citations against them for the improper disposal of waste. This rate increase is meant to pay for their unethical business practices and the problems those practices have created. Utilities should be charged per usage, not a flat rate. The consumer should not be held financially accountable for their mismanagement.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony?

Yes.
